

BATTLE CANCER

FUNDRAISING TOOLKIT

2025

WELCOME TO BATTLE CANCER

We're excited to have you on board in the fight against cancer. With your help, we can raise vital funds for cancer-related causes—and we've created this toolkit to ensure you have everything you need to raise as much as possible. Let's make an impact together.

LET'S GO!

YOUR TICKET COVERS PARTICIPATION, NOT CHARITY DONATIONS

BATTLE CANCER IS A FUNDRAISING EVENT, NOT A CHARITY ITSELF.

Your ticket covers your participation and event costs, but it doesn't include a donation. That's where our ticket options come in to help you go the extra mile.

01 BUY A TICKET + DONATE

For those who want to make an immediate impact, this option is for you. Simply book your place and choose to add a donation to our charity partner in your event city. We'll handle the donation for you, no extra steps required. It's a quick, easy way to show your support without the need to fundraise separately.

02 BUY A TICKET + FUNDRAISE

Want to do more? After securing your spot, create a fundraising page with JustGiving, pick a cancer charity, and start gathering support from your friends, family, and community. This option lets you maximise your impact, with no minimum goal—raise as much as you can!

FUNDRAISING PROCESS

Once you've secured your Battle Cancer ticket, the first step is choosing the charity you'd like to support. Then, set up your fundraising page and get fundraising whether online, through events, or both, the sky's the limit! The more you raise, the higher your score so get creative and push for as much as possible.

SUPPORTING ONE CHARITY WITH MULTIPLE TEAMS

If multiple teams from the same gym or community are participating, you can set up one main fundraising page for the entire group. We'll divide the total amount raised equally among the teams. Each team can also add their own extra individual fundraising to their own score if they wish.

SUBMITTING YOUR FUNDRAISING SCORE

On event day, our fundraising team will ask you for your charity details and total amount raised. Just show them your fundraising page, plus any receipts or proof from offline fundraising activities. Even regular monthly donations count, so don't forget to include those. Every pound raised makes a difference!

SUPPORTING MULTIPLE CHARITIES AS ONE TEAM

If your team wants to support more than one charity that's no problem! Simply create a separate fundraising page for each charity or submit proof of regular donations you make. We'll then combine all the funds your team raises into one total.

CREATING A POWERFUL FUNDRAISING PAGE

WE RECOMMEND USING JUSTGIVING FOR YOUR FUNDRAISING BUT FEEL FREE TO CHOOSE ANY PLATFORM THAT WORKS BEST FOR YOU!

A strong fundraising page can make all the difference. Here's how to build one that will inspire people to donate:

STEP 01

WRITE YOUR STORY

Fundraisers with a personal story raise 65% more. Your story should cover:

- > **WHY YOU'RE FUNDRAISING**
- > **WHY THIS CAUSE MATTERS TO YOU**
- > **WHAT CHALLENGE YOU'RE TAKING ON**

JustGiving even has a Story Enhancer Tool to help you write.

STEP 02

SET A FUND- RAISING GOAL

SETTING A TARGET CAN INCREASE DONATIONS

by giving supporters a clear target to rally behind. Aim high, but don't worry—you can always adjust your goal as you go.

STEP 03

ADD PHOTOS AND VIDEOS

A COVER PHOTO CAN BOOST YOUR DONATIONS

by building an emotional connection. Add meaningful photos or videos to give your page that extra spark.

TIPS TO MAXIMISE YOUR FUNDRAISING

START WITH A SELF-DONATION

Kick off your fundraising by donating to your own page. Fundraisers who do this raise 42% more!

SHARE, SHARE, SHARE!

Post on Facebook, Instagram, X (Twitter), and LinkedIn. Don't forget to email your supporters who aren't on social media.

COLLECT SMALL CHANGE

Raising cash donations with bake sales or selling raffle tickets? Simply pay the cash into your bank and then digitally send it to your fundraising page. Why not put a small pot on your desk at work or gym reception for loose change donations?

UPDATE REGULARLY

Keep your supporters in the loop with regular updates on your progress on social media. You can also post updates on your JustGiving page - the JustGiving app makes it easy to share on the go.

SHARE ON EVENT DAY FOR A LAST MINUTE BOOST

Event day is prime time for sharing your link—teams often see a donation spike as followers watch them take on the challenge live. Share updates, photos, or videos to bring supporters along for the excitement!

THANK YOUR SUPPORTERS

20% of donations come in after the event, so be sure to follow up with a thank-you message to show your gratitude - and how you got on at Battle Cancer.

MAXIMISE YOUR FUNDRAISING WITH GIFT AID AND COMPANY MATCH

GIFT AID

Gift Aid is a UK government scheme that increases donations by 25%—at no extra cost to you! When your supporters are UK taxpayers, they can tick the Gift Aid box on JustGiving, and the government will add 25p for every £1 donated.

COMPANY MATCH

Many companies offer a matching program for donations their employees raise for charity. That means your donations could be doubled (or even tripled!) by your employer. Check with your HR department to see if your company offers this.
